Marks near Club, 12 April

**GREEN POINT**

River Deben

**PERKINS**

**KINGSFLEET**

**OYSTER**

Ferry Rd

As of 12 April this marks map is very much work in progress. The two channel navigation marks nearest the Club are shown approximately in their 2023 positions. Two mark names have been altered - Bawdsey Quay Visitors' is simply Quay, and Knoll Spit is just Spit. This is working towards identifying each mark with a single, unambiguous initial letter. A map of the River and approaches used by us for racing should be available shortly.
